

## STRUCTURAL FIXING DETAIL

Please follow diagrams for correct installation of doors up to:  
**2450mm high x 5300mm wide**

If floor rebate is required it must extend at least 100mm more than the opening on each side and back from the fixing face at least 100mm (see below detail).

These instructions are intended for professional garage door installers.  
 All references are taken from inside looking out.
